

Blasting Helmet SPARTAN by GritSablare

TECHNICAL DETAILS

Section 1. Technical Details

- SPARTAN by GritSablare is an economic respirator helmet designed to protect blasting operations from health hazards.
 - Impact resistant polyethylene outer shell.
 - Molded shape evenly disperses incoming air around operator's head, face and neck for maximum operator comfort.
 - Inner foam provides comfort and noise suppression.
 - Tough nylon outer cape with removable and washable inner neck band.
 - Double layer inner/outer lenses with quick and easy replacement.
 - Suitable for all abrasive blasting applications.
 - Replacement outer lenses available in packs of 100, inner lenses in packs of 20.
 - Optional Breathing Tube, Air Flow Controller, Air Cooling Controller or Climate Controller.
- Common applications
 - Protection from rebounding abrasive, dust, debris and excessive noise levels.
 - Tolerate high heat situations with available Air Cooling Controller or Climate Controller.

Section 2. Complementary products

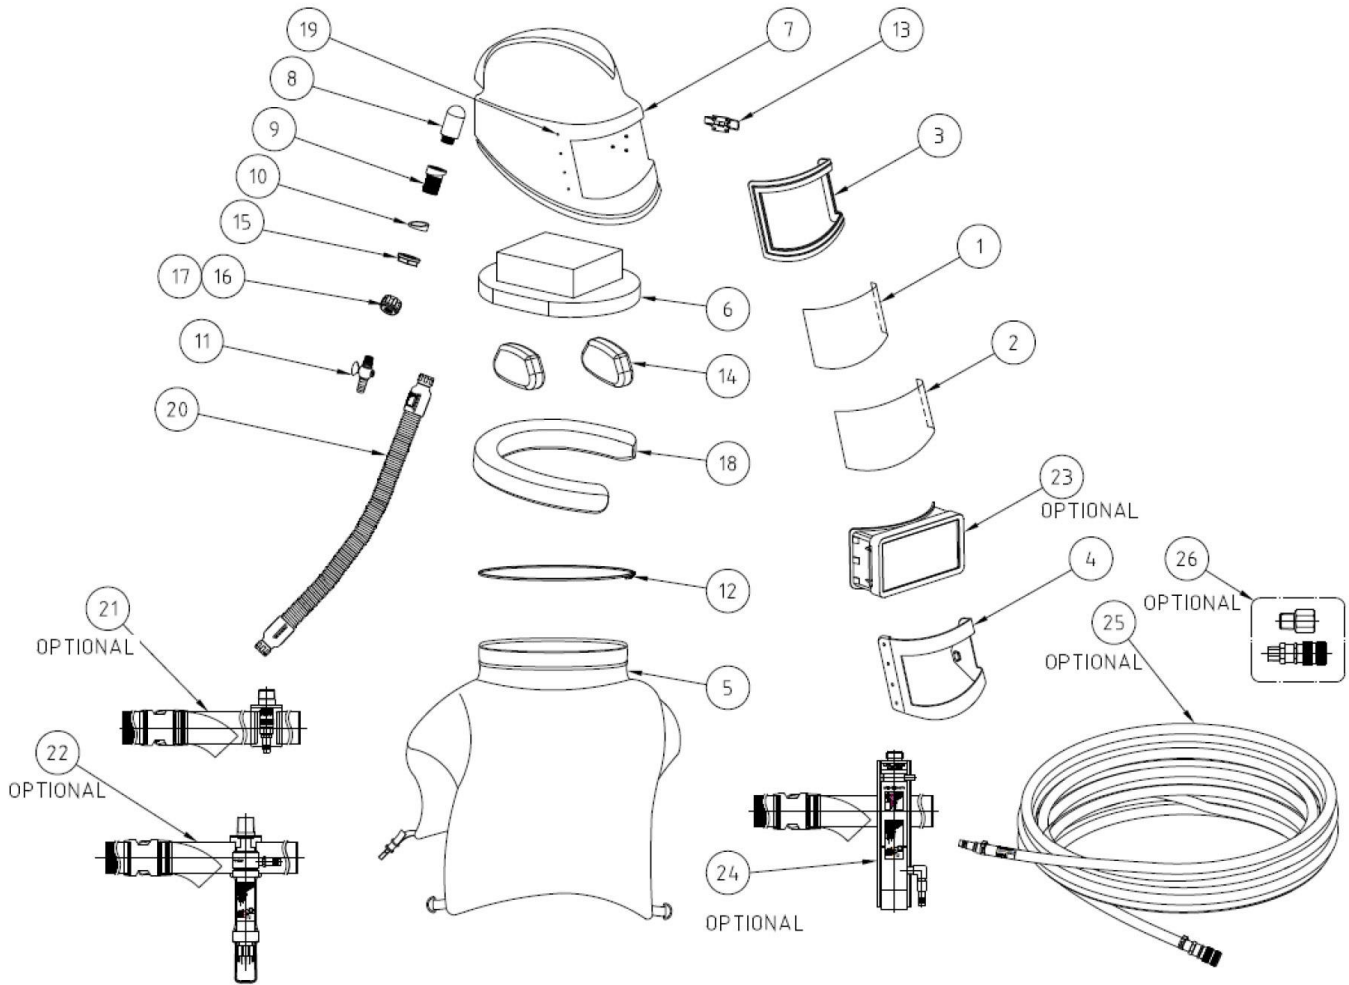

- VisiFlo Premium Filter
- Aurora LED Helmet Light
- AirScan CO Monitor
- Moisture Separator
- PBF II – 1 Filter
- PBF Filter Cartridge
- Respirator Airline Hose
- Leather Blast Suit
